About Our Company

Ciban Global is a distinguished name in the realm of agricultural exports, deeply rooted in the fertile soils and rich traditions of Nigeria. Established with a clear vision and driven by unwavering values, we have emerged as a premier exporter of high-quality agricultural products that are cherished by discerning customers around the world.

We ensure that we trade in produce of the highest quality, sourced from farms across Nigeria that meet up with industry standards and farming processes, as laid down by regulatory bodies both locally and internationally. We also ensure that our produce are preserved under the optimum storage conditions throughout the supply chain.

As a registered member of the Nigeria Export Promotion Council (NEPC), we are positioned to export quality agricultural produce from Nigeria to other parts of the world, where they will be processed into finished products in the Foods and Manufacturing sectors.

COMPANY PROFILE PRESENTATION

Our Story

Our journey began with a profound appreciation for Nigeria's bountiful agricultural resources. Recognizing the potential to showcase these resources on the global stage, Ciban Global Limited was founded by a group of passionate individuals who shared a common goal - to bridge the gap between Nigeria's farmers and international markets. Since our inception, we have strived to uplift local communities, empower farmers, and bring the world closer to the diverse flavors and nutritional treasures that our land has to offer.

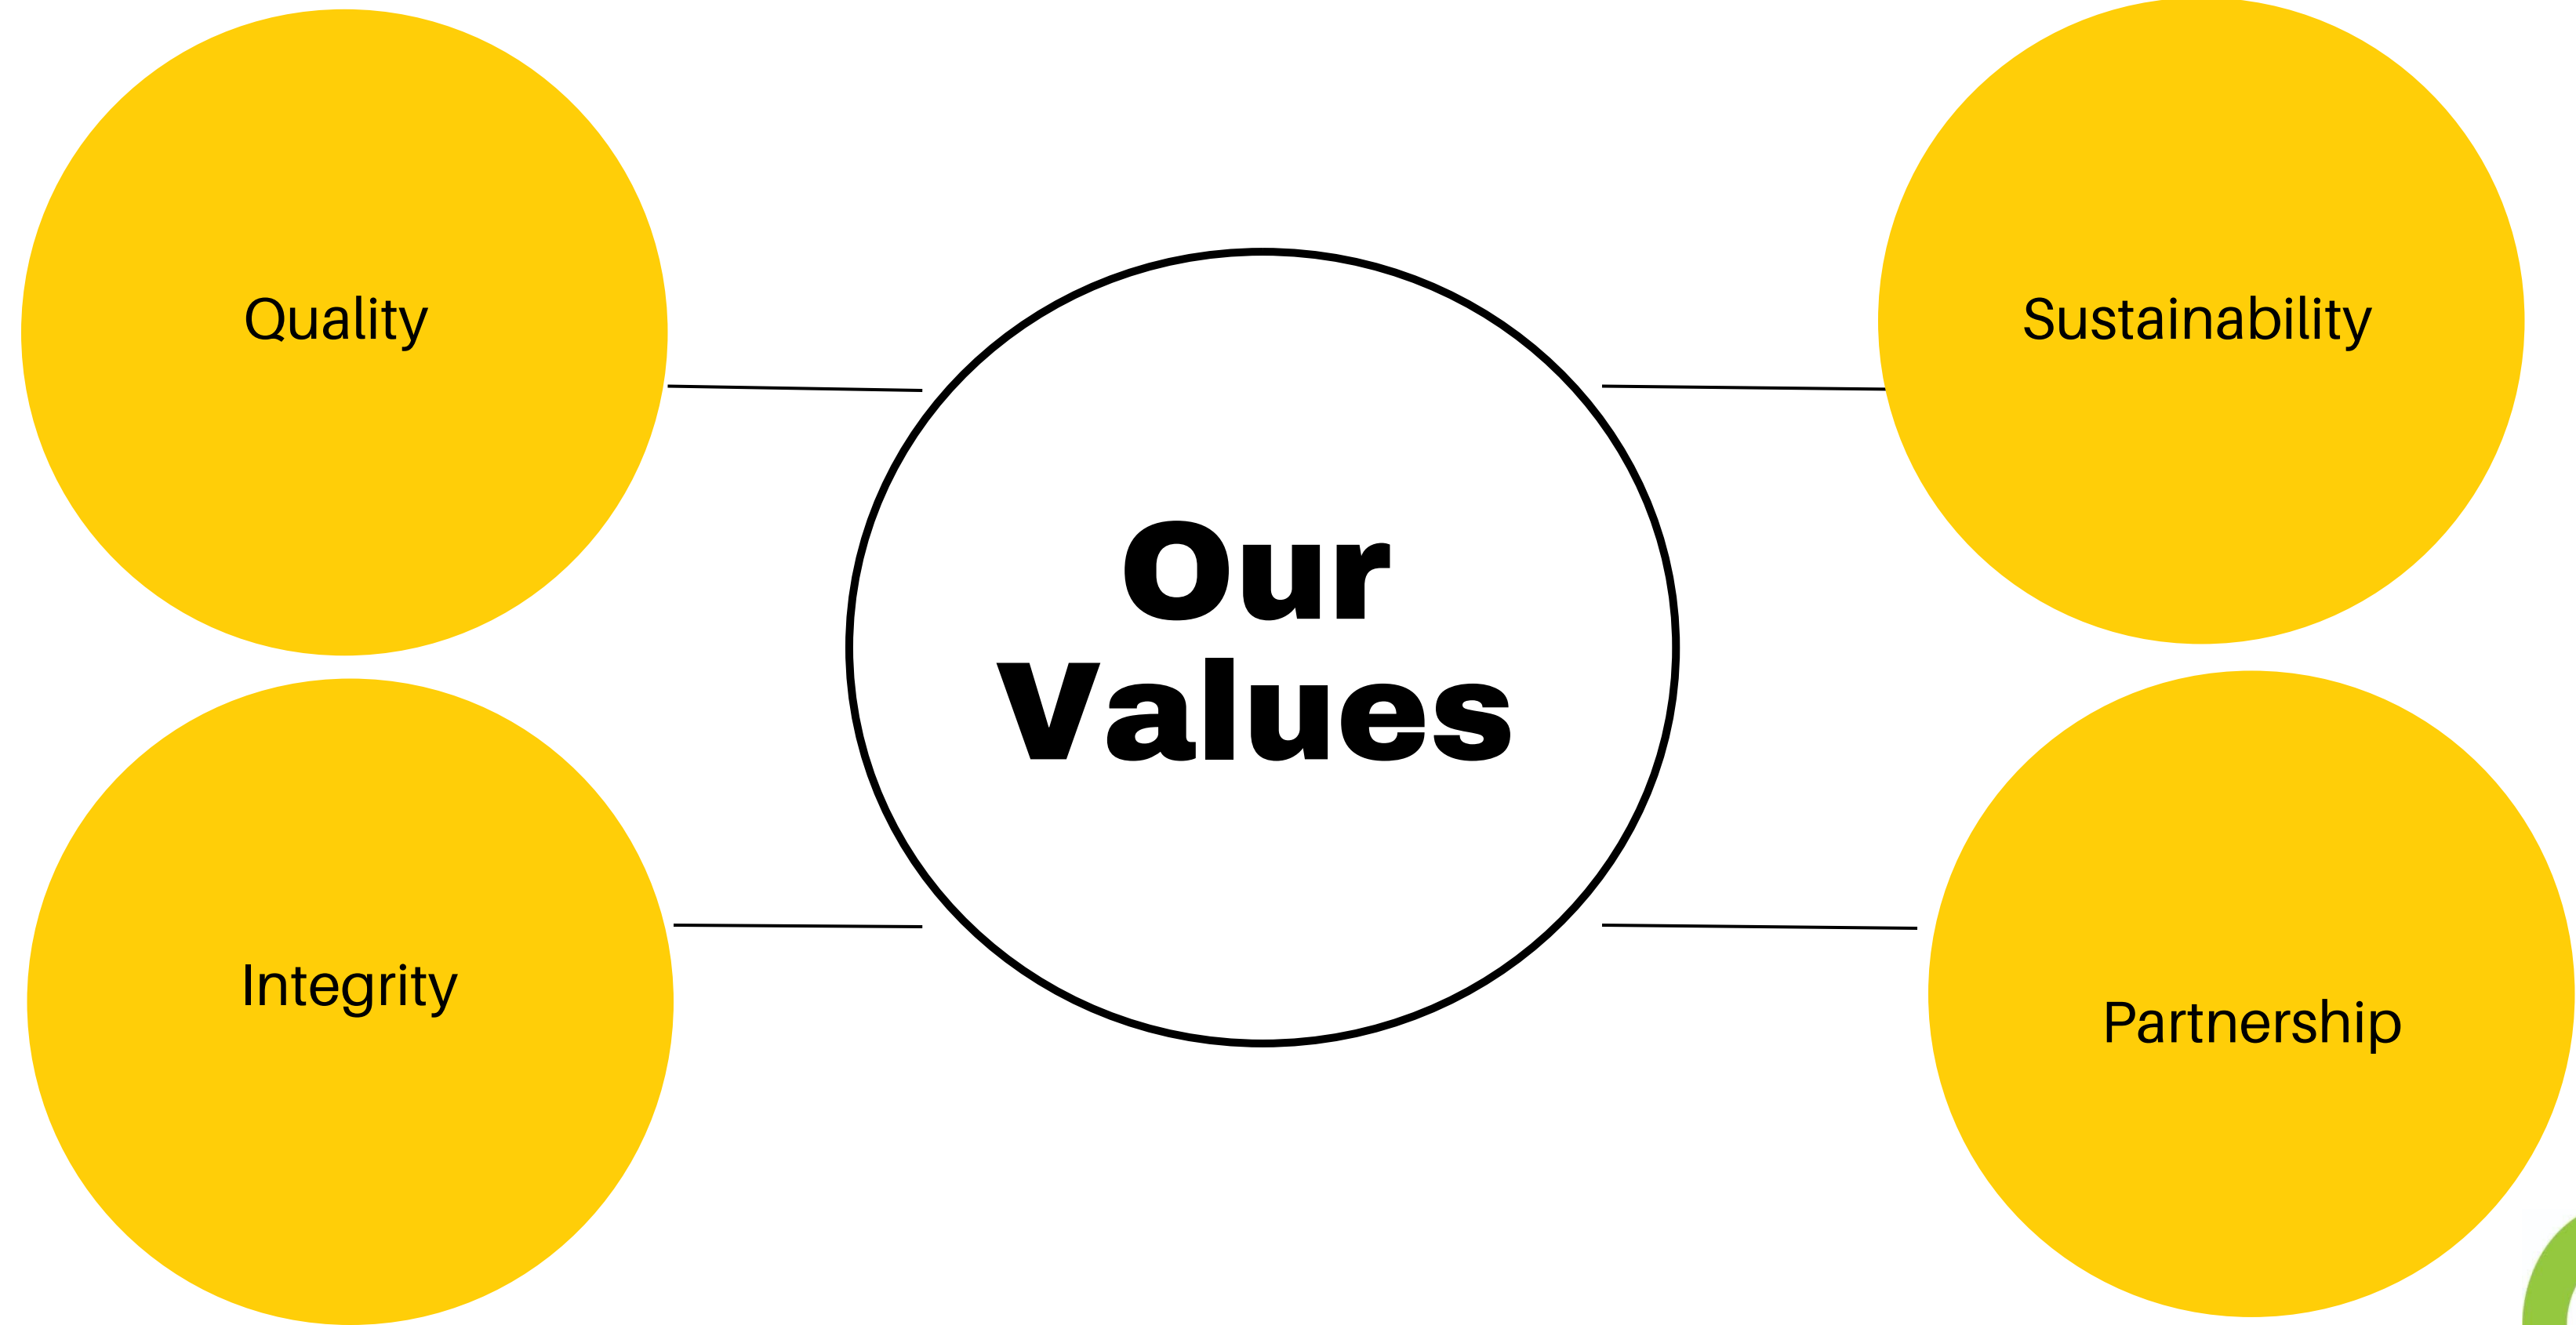

Mission

Our mission is to promote Nigeria's abundant agricultural resources on the global stage while empowering local farmers, fostering economic growth, and delivering top-notch products to our international clientele.

Vision

To become the leading and preferred premium exporter for agricultural products and service excellence.

COMPANY PROFILE PRESENTATION

Our Approach

At the heart of our approach lies a dedication to integrity, quality, and sustainability. We work closely with local farmers, forming collaborative partnerships that empower them with knowledge, resources, and fair compensation. This not only ensures a consistent supply of top-notch raw materials but also contributes to the growth and prosperity of the rural economy. Our commitment to sustainable practices is deeply ingrained in our processes, as we believe in preserving the land for future generations while meeting the demands of the present.
